

Hand Cutting Table With Fixture

Art. No.: 99 840 0259

Applications

- Gas cutting by hand
- Apprenticeship, research and training centres
- Training departments in companies

Benefits

- Both hands are free to work thanks to the foot-operated mechanism for clamping the workpiece
- Robust manufacture ensuring safe working
- Easy cleaning thanks to the integrated slag tray
- Comfortable to work with thanks to ergonomically adapted sheet steel construction

Properties

- Workpiece clamping device with foot-operated mechanism for holding gas cutting equipment
- Integrated slag tray
- Suitable for connection to central extraction and filtering systems
- Robust steel plate construction

Technical Data

Basic data

Height 800 mm

Dimensions (w x h x t) 1050 x 850 x 800 mm

Additional information

Connection spigot 160 mm

Recommended filter unit 34 20
